**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

I Am bewildered that this submission is going to be allowed to go through, when we strongly objected to Stocklands submissions, at the time they wanted to rebuild Glenrose. This area doesn't need anything like this type of structures. we are a low density area and that is the way we hope it stays. Once we allow this type of structure to go a head we will finish up like Dee Why, it will open the flood gates to the developers.
