<b>Application Number:</b>	DA2024/1607

<b>Date:</b>	06/12/2024
<b>Responsible Officer</b>	Michael French
<b>Land to be developed (Address):</b>	Lot 1 DP 2610 , 91 Cutler Road CLONTARF NSW 2093

### Reasons for referral

This application seeks consent development on land, or within 40m of land, containing:

- All Development Applications on
- Actual or potential threatened species, populations, ecological communities, or their habitats;
- Wildlife corridors;
- Vegetation query stipulating that a Flora and Fauna Assessment is required;
- Vegetation query - X type located in both A & C Wards;

And as such, Council's Natural Environment Unit officers are required to consider the likely potential environmental impacts.

### Officer comments

The comments in this referral relate to the following applicable controls and provisions:

- SEPP (Resilience and Hazards) 2021 - Coastal Environment Area
- Planning for Bushfire Protection 2019
- Manly LEP Clause 6.5 Terrestrial Biodiversity

The site has been heavily modified with little to no vegetation left. The proposed alterations and additions would take place on areas of existing hardstand and would be unlikely to impact upon native flora and fauna.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
