MR Maree Maree Castellan
7 Hay ST
Collaroy NSW 2097

RE: Mod2024/0445 - 39 Hay Street COLLAROY NSW 2097

When the neighbourhood objected to the original plans it's got passed now your trying to deceive us with unacceptable amendments. I object to this because it does not belong in this small street. Which is already overrun with traffic from the parks. The street is far too small to accommodate a large building and you would ruin the integrity of the street. This is a close community and we love our neighbourhood. It is like a community and many people have lived here for years. If this passes it opens the door for other large buildings being put where they simply don't belong. Please leave our neighbourhood alone and leave it as the beautiful street and community it has become
