RE: DA2023/0718 - 52 Cabbage Tree Road BAYVIEW NSW 2104

The burden of beaurocracy.

I understand that the Bayview Golf Club is wanting to rebuild an existing green. My two sons (Benjamin and Thomas) and i are members and we wish to show our support of the Club's DA. Please promptly approve so that the Groundsmen can get on with their job maintaining and improving the course which is not only for the benefit of the members but the playing public who are also able to enjoy our wonderful facility.

Sincerely,
Philip Fontaine
