Subject: TELSTRA Tower ANZAC Village
Attachments: Submission_-_Petition to NBCouncil.pdf;

Dear All,

I write to comment on the recent Daily Telegraph/Manly Daily article regarding the apparent intention of Northern Beaches Council to reject the current application for the construction of a 30 metre mobile telephone tower to provide reliable mobile telephone reception to residents in and around the Narrabeen ANZAC retirement village area.

Northern Beaches Council claims to have 62 objections to the application together with a 459 signature petition objecting to the tower. This accuracy of this claim requires scrutiny.

Examination of the petition (copy attached) reveals that less than 30% of the signatories (approx. 135) claim to live anywhere on the Manly Warringah Peninsula and of those that do, only approx. 106 admit to living in areas that would be served by the tower (Collaroy Plateau, Collaroy, Narrabeen, Elanora, Elanora Heights, Narrabeena, Cromer and Wheeler Heights etc.). It should also be noted that almost 5% of signatories either live outside the Sydney Metropolitan Area, interstate or overseas.

Considering the above, the weight apparently given by Northern Beaches Council to a document allegedly signed by 459 residents to Northern Beaches Council requesting rejection of the application not only questions the validity of the intention to reject, it also challenges the commitment of the elected representatives of Northern Beaches Council to protect and support the health and welfare of over 1500 elderly Manly Warringah residents.

Examination of many of the objectors comments show that they enjoy an adequate and reliable mobile telephone service yet have the audacity to argue against the most vulnerable members of society having the same level of service for their comfort and most importantly, for their personal safety.

The objectors also curiously ignore the fact that they enjoy reliable mobile telephone services provided by a telecommunications tower located elsewhere on Collaroy Plateau using the same electromagnetic spectrum. Apparently the objectors also have little or no regard for the fact that some hundreds of the residents seriously affected and endangered by the lack of a reliable mobile telephone service also served Australia in time of conflict for the protection of all Australians.

Every effort needs to be made to show what the bulk of the objections are based on, the usual selfish I'm all-right U-JACK and NIMBY attitude that unfortunately, is becoming more prevalent in today's society. Unless reliable mobile coverage is provided for the elderly residents, it is not if a fatality will occur, it is when!

Sincerely,
Colin & Lynda Harris. ANZAC Village. NARRABEEN.

Hello,

I submitted the petition here but it looks like you have only posted the link and not the actual petition so attached are the PDFs for the 405 signatures plus comments in a separate PDF.

Many thanks

Rachel Cernecca

Subject: DA 1481/2018 - Stop 40m Mobile Phone Tower being built at RSL War Veterans Village Narrabeen
Date: 22 October 2018 at 7:41:37 am AEDT
To: council@northernbeaches.nsw.gov.au

Dear Sir/Madam

Please find link below to my petition against the mobile phone tower being proposed by the RSL War Vets at Narrabeen. Could you please include this submission as part of the submissions against the DA. If you have any problems reading it please let me know.

Stop 40m Telstra Mobile Phone Tower being built at RSL War
Veterans Village Narrabeen

Comments

Name	Location	Date	Comment
Fabiana Radcliffe	Australia	2018-09-24	Not the right place for it with a preschool nearby and two primary schools and in an area where there are lots of young families and also bordering the State significant environmentally protected Narrabeen Lagoon. Unbelievable! These Towers also affect wildlife and insects as well and pretty much make everything around them a death zone causing cancer, illness, learning difficulties low sperm count and numerous other ailments in humans. Children and the elderly are particularly susceptible. Also visually disturbing making the value of our property decrease about 20%, not acceptable.
Jude Kelly	Australia	2018-09-25	It's disgusting that anyone can do this to families. They are cancer causing and will reduce home values. There's so much spare land to place these instead of someone's valuable property. Think about the kids especially. Evidence is out there.
Susan Vesty	Australia	2018-09-26	My sons daycare is in the War Vets
Kylee Davis	Sydney, Australia	2018-09-26	They need to be looked into everywhere they are popping up all over the place and should not be around residential or childcare centres anywhere
arlene greenaway	Australia	2018-09-26	i believe these towers are a danger to everyones health
Rachel Cernecca	Australia	2018-09-26	I've let them know x
Sarah Parker	Australia	2018-09-26	I live on Greystoke Street with 2 young children who go to local school. Our house backs on to the beautiful reserve. This area is not the place to have this. I strongly object.
Penny Gee	Australia	2018-09-27	The decision to have this located so close to children and the elderly is irresponsible.
Brad Durkin	Tilley, Canada	2018-09-27	we the people demand choice, this technology is criminal, stop the deep state, defeat the draco
Megan Brandl	Sydney, Australia	2018-09-27	Not near our kids thanks!
Michelle Chamings	Australia	2018-09-27	It should be placed on a building with others
Soraya Keys	Australia	2018-09-27	This affects people's health no way can this happen
Claudia D	Australia	2018-09-27	Because I live here
Robert Vestey	Australia	2018-09-27	I care for the children that this will affect.
Phoebe Cormack	Sydney, Australia	2018-09-27	Just another money grab!!!

Name	Location	Date	Comment
Jules Heron	sydney, Australia	2018-09-27	It's entirely inappropriate . It will ruin the environment outlook which is why we All live here . There are health issues that concern me and because if that it's too close to pre and primary schools.
Louisa murphy	Sydney, Australia	2018-09-28	We have a responsibility to protect the health of our children, this should not be allowed so close to local preschool / school
Bonnie Wiles	Australia	2018-09-28	This is not a safe location.
Ian Schmarr	Australia	2018-09-28	Council let's too much happen.
Rachel Cernecca	Australia	2018-09-29	Hey guys, please remember to also lodge a submission at the Council link below: https://eservices.northernbeaches.nsw.gov.au/ePlanning/live/Public/XC been told that it is important to lodge as many submissions as possible as that is what the Council will look at. Cut and paste the link above and go to Documents page to lodge a submission. thanks
Amy Tickle	Collaroy Plateau, Australia	2018-09-29	Wheeler Heights is a beautiful and leafy area with a retirement village (filled with ex war vets), a huge public school, a catholic school, daycare centres, families, etc. A tower of this nature would be criminal. Wheeler Heights also backs onto one of the most picturesque and stunning natural beauties on the beaches (Narrabeen Lake). The lake is now a tourist destination and a place enjoyed by many of the citizens of the beaches. The council made the wonderful decision to spend the money on improving access to the beautiful area. Why would they approve a submission for Telstra to ruin it with an eye sore? Please don't do this!
Rachel Cernecca	Australia	2018-09-29	If this goes ahead the consequences for us and our neighbours and the local children living close to the proposed tower could be devastating, not to mention the local wildlife. It is criminal to put it in an area so close to residential houses, preschools and schools.
Carol chong	Australia	2018-09-30	I don't want to get cancer and I work in the RSL.
Colleen Camelin	brookvale, Australia	2018-09-30	There is already a tower on the Plateau, there is no need for another one and so close to 2 x Primary Schools is unacceptable.
Chad Pearce	Singapore	2018-10-05	Unnecessary blight on the landscape and community.
virginia kenney	Allambie Heights, Australia	2018-10-06	I live in Lantana Avenue with three children. I am very concerned about the long term low grade exposure of EMR on my youthful family members. It is unacceptable that the War Vets not take into account the concerns of their neighbours - who have been very patient with significantly increased road traffic/construction in recent years.

Name	Location	Date	Comment
Jane Newman	Avalon, Australia	2018-10-08	I believe mobile towers should not be erected in highly populated residential areas where people live, work and sleep.
Simon Crowe	Sydney, Australia	2018-10-08	We've already got one massive tower on Collaroy Plateau and that's 1 too many!!
Michael Dunn	Sydney, Australia	2018-10-19	This tower could go in the bushland near the war vets, away from everyone!
Christine Mills	Australia	2018-10-20	I am disgusted!! A loud NO!!!!
Cathy Abbruzzo	Australia	2018-10-20	It is so close to 2 schools and many many homes
Trish & Peter Clinch	Chiswick, Australia	2018-10-20	Peter & Trish Clinch,
Kylie Govers	Collaroy, Australia	2018-10-20	Not in a densely populated area
Rachel Cernecca	Australia	2018-10-21	carol do you know if many of the people working at the War Vets know about this? I'd be concerned if they haven't been told - they should also get a say in this - perhaps you could spread the word.
Mick TAGUE	Australia	2018-10-21	what an eyesore!
Debbie Rossi	Australia	2018-10-21	they want to put two up in cromer heights.. please help us stop this too.
Rachel Cernecca	Australia	2018-10-22	We'll do whatever we can - they are doing this everywhere - I've spoken to a lady down in Torquay where they are trying to put close to residents down there and she has also started a petition. Do they have a DA for the ones in Cromer? I'd say call your local Member but Falinski's been no help. Who is making the decision with the Cromer one? Perhaps speak to Council as to who is making the decision? I'd be happy to speak with you about it if you like.
Rachel Cernecca	Australia	2018-10-22	Debbie I have started a Facebook Group Wheeler Heights Action Group if you would like to join - Perhaps you could start one for Cromer Heights - it is a good way to get the word out.
Aleksandar Popovski	Australia	2018-10-22	I am signing this petition In support of my community. This tower should not be built.
Victor Macri	Australia	2018-10-23	I am a local resident and I would prefer this not to happen.
Sandrine Iratchet	Sydney, Australia	2018-10-23	Convenient networks should never interfere with people's Health and interest. If you don't know the effect of EMR don't play the fame of no proof all good! No proof no go.
Gerry Ramdeen	Narrabeen, Australia	2018-10-23	The outside areas of the RSL village already have good network coverage in this area, and I've checked even in the Dardanelles area! if signals need improving in localised

Name	Location	Date	Comment
			black spots like in building or in dips in the land then have they gone to Telstra's website on "Extend your coverage, improve your experience."? https://www.telstra.com.au/coverage-networks/network-coverage-extension- don't see a 40m mobile tower on this page! Why has this been suggested as the fix to a localised problem?
viv rose	Australia	2018-10-23	My kids will be effected
Talal Rossi	Cromer, Australia	2018-10-24	I'm signing because it's not needed
Emma Barr	Australia	2018-10-25	Current safety limits are insufficient. Apart from the genuine threat of it being carcinogenic, there are numerous health ailments suspected to be caused by exposure to radiation emitted by Mobile phone towers. Health is more important than having a faster Internet. This must be stopped!
Mara Berbakov	Manly, Australia	2018-10-26	Surely common sense will prevail and they will realise that putting a tower here is completely inappropriate.
Lee Halligan	Australia	2018-10-27	It's just wrong.
Rhonda Dew	Australia	2018-10-27	What an oversized monstrosity being proposed where our most vulnerable reside. Needs to be stopped.
