RE: DA2021/0853 - 222 South Creek Road WHEELER HEIGHTS NSW 2097

I have no issue with the extension except the position of the windows. can the back windows have a screen. I have a pool in my back yard on the higher side. I think with windows at that height will look straight into my yard. Due to an easment along my back fence , I cannot grow trees to screen out the neighbours . can anything be done for privacy please
