Dear Mr. & Mrs. Anderson,

Arborist Addendum:  
52A Consul Rd, Brookvale

Blues Brothers Arboriculture has been instructed to provide a report addendum for development at the above address following receipt of Council Correspondence.

This report references the following documents and correspondence:

- Arboricultural Statement by the Author dated 23<sup>rd</sup> October 2023.
- Northern Beaches Council Correspondence "*Return of Application*"; Reference Mod2025/0248, Dated 21<sup>st</sup> May 2025.
- Updated Architectural suite of plans by H&C Design; Revision B, Dated 16<sup>th</sup> May 2025.

It is understood that conjecture regarding the compatibility with boundary privacy screens with Bushfire mitigation codes has occurred.

Based on the supplied information, the proposed amended development is located outside of the TPZ areas of trees previously recommended for retention.

It is recommended the development proceeds as proposed without restriction from an Arboricultural capacity.

Should you have any queries regarding the above, please do not hesitate to contact me.

Kind regards,
