RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

As a past resident of North Curl Curl and a frequent user of the netball courts and surrounding lagoon area, I strongly object to this application.

The number of children including my own, who frequent this area whether it be while playing netball or soccer, bike riding or while attending primary school have a right to be safe and not exposed to the harmful emissions output by such a tower. This should not be allowed to be constructed.
