**Subject:** TRIMMED: No to McDonalds

Dear Northern Beaches Council,

Please do **not** approve the new Balgowlah McDonald's DA (I believe the DA number is DA2025/0132 but either way, the proposed McDonalds in Balgowlah. Please do not approve of any future McDonalds at this spot, no matter how many time they may make slight changes.

I am a local resident and shop weekly at the Woolworths, Aldi, Bunnings, Butcher, ActiveSkin wholesaler on Rosebery Street. That street, including right there on the roundabout where this fast food chain is proposed to go, already turns into grid lock. The frustration from drivers is already prevalent and not needed, as residents are simply trying to shop or go to and from work to keep a roof over their heads during this unfairly costly time in our world. Adding this tacky fast food chain that the Northern Beaches doesn't need full stop, is not needed.

I know that my family members, friends and colleagues regularly talk about this traffic and how it backs down all the streets from that roundabout. This does not need to be a stress in their lives. There is enough to worry about.

Sincerely,  
Amy
