Subject: RE: Newport Arms Hotel - Flood Emergency & Geotechnical forms for DA lodgement at Pittwater Council

Hi Alice,

As discussed, we have reviewed Council's flood mapping classifications for this site and find that it has not been given any flood risk classification (H1 – H6). As such it is our experience that it's not necessary to complete/submit the flood risk form with the DA, nor is there an appropriate 'check box' on the form that relates to sites without a flood risk classification.

Please contact myself or Rhys Mikhail (our flood expert) should you have any further queries.

Regards,

Michael Wachjo

Subject: Newport Arms Hotel - Flood Emergency & Geotechnical forms for DA lodgement at Pittwater Council

Hi Michael,

As discussed, please find attached the Pittwater Council forms & checklist for DA lodgement.

Can you please assess to see whether they are applicable for DA lodgement? If they are required, can you please complete the forms and return them to us? Please also let us know if you need to undertake any further assessment to complete the forms.

Thank you and I look forward to hearing from you.

Kind regards,

Alice Finn
