Dear Madam

**RE: Development Application No: DA2021/2002 for temporary school-No.617 Warringah Road, Forestville**

We refer to Council's request for additional supporting information that addresses the potential for site contamination on a property located at No.617 Warringah Road, Forestville.

As stated by the Frenches Forest Baptist Church correspondence dated 6 January 2022, the site has no past history of the following activities being carried out:

*• Acid/alkali plant and formulation • Agricultural/horticultural activities • Airports Asbestos production and disposal • Boatyards • Chemical manufacture and formulation • Council works depot • Defence works • Drum re conditioning works • Dry cleaning establishments, • Electrical manufacturing (transformers) • Electroplating and heat treatment premises • Engine works • Explosives industry • Funeral Parlours • Gas works Iron and steel works • Landfill sites • Metal treatment • Mining and extractive industries • Oil production and storage • Paint formulation and manufacture • Panel heating • Pesticide manufacture and formulation • Power stations • Railway yards • Scrap yards • Service stations • Sheep and cattle dips • Smelting and refining • Spray painting substations (electrical) • Tanning and associated trades • Waste storage and treatment • Water board plant or depot • Wood preservation.*

The site has been used for the purposes of a Place of Public Worship as approved under Development Consent No. 1999/1470 and a dwelling. There are no other records of other uses to our knowledge that would suggest any potential for past site contamination.
