RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102

This area is already congested enough you only have to be driving through before 9 or around 5 to experience the complete traffic jam. This site & surrounding street do not have the capacity to hold such service. Im a member of a gym on Ponderosa and our parking would be severely impacted as it is already hard enough to park with the many other businesses in this area
