RE: DA2021/0132 - 22 Baz Retreat WARRIEWOOD NSW 2102

Dear Sir /madam,

We are currently building a house next door (we are nearly finished) and note from the plans of lot18 their top side window will be looking into our 6 year old daughters bedroom.

Our window is the only window on the top R hand side of the house... can our neighbours please reconsider moving their window.

I am concerned about our young daughters privacy considering this room of lot 18 appears to be a leisure room.

Kind regards,
Melissa Brady
