RE: Mod2014/0174 - 8 Wyatt Avenue BELROSE NSW 2085

Dear Sir / Madam

I am writing to you to object Modification No: Mod2
014/0174 - (DA2010/1170)

We reside in Stratford Drive and travel along Wyatt
Ave to exit the area on a daily basis.

In the last 12-18 months we have noticed an increased
amount of traffic associated with John
Colet School.

The current "drop off" zone and traffic rules are regularly ignored and dismissed by
many

parents of the school, and I've witnessed numerous
amounts of cars conducting illegal u-turns here
and there and blocking peoples driveways.

We feel that the school has reached it's pupil capacity and greater numbers would
increase

greater risk on traffic and the roads.

We moved into our Street as it's a quiet and safe street for families, however in 4
years we

have seen the school expand so much that to try and get onto Forestway in the
mornings is

becoming extremely difficult.

Just yesterday I was leaving home and traveling to turn right onto Wyatt Ave and
parents were parked well down Wyatt Ave for the pick up zone, as well as double
parked.

John Colet School was developed as a small community school which is expanding
yearly and is having an impact on locals here in Belrose with much heavier traffic
impacted.

Therefore we oppose the request.
