My name is Jill Thorpe . I reside at 32 FloridaRd Palm Beach . I have been a resident for 35 years . I wish to table my objection to the development proposed at 1102 Barrenjoey Rd .

My objection is based on the grounds of height , bulk & scale.

The scale is too high , too wide & too deep.

There will be huge density out of proportion to the area. No appropriate landscaping is possible.

It will totally change the character of the existing environment . It is not in the community interest .
