RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

Street is already a busy on peak hour with primary school Seaforth Public down the road from this proposed child care centre. The proposed location is only one door up from a roundabout and across the road to a bus stop. On normal days it is already a bottle neck how much more if this development is going ahead. The safety of our children is paramount. If this development goes ahead a lot of primary school children going and coming home from school will be put in danger from this proposal due to parents on cars dropping off and picking up their little ones from this proposed centre. This is why am opposed to this development. Wrong position for a child care centre.
