COMMENTS: (You may use the space provided or attach a separate document).

The comments provided on 16/8/2016 still stand as the adjustments have made no real attempt to alleviate the environmental impacts. The proposal for subdividing 62 Hillside Road is completely incompatible with the care and attention that this fragile rainforest requires. The DA should not be approved while it results in the destruction of animal habitats and fauna & flora. The Atteridge Park eco-system is too important and should be protected for the generations to come.
