To the Panel Secretariat,  
I wish to share my personal support for approval of the amended plans for Newport SLSC's Club house renovations - Land and Environment Court Proceedings No. 2023/109048 (DA2021/2173).

As a member of the club and a patrolling volunteer, I know how important the club is to the local community and how much these changes are needed to keep the club going and avoid losing visitors and members to other clubs such as Avalon and Mona Vale.

Please visit any time to see conditions and the need for these upgrades first hand. I look forward to a favourable result for the club and community.

Regards

Rohan Whiteford
