Do not let McDonalds wealth and power overtake your decision making skills.

- Fast food kills people
- Supporting this is direct competition to [healthy eating program Go4FUN](#) that you support!
- Small businesses are dying, but a big one wants to come in?
- Traffic is horrendous
- Road quality is crumbling
- Councillors are being paid exorbitantly
- You can't manage your bottom line so are asking for MORE from the people
- The PEOPLE don't want this

Shut it down. Community complaints are real - listen to see please.
