RE: DA2023/1757 Forest Way FRENCHS FOREST NSW 2086

100% agree with this application Will support the Frenchs Forest area Currently it's a shopping centre with no appeal. Any concerns regarding traffic flow and parking. I suggest we encourage all residents to accept they are living in a city with all the benefits of a city and that sometimes means traffic. Sometimes you just have to wait a bit longer...or catch a bus...or drive at a different time There are solutions
