RE: Mod2021/0047 - 22 Jubilee Avenue WARRIEWOOD NSW 2102

Once again my husband and I would like to point out the trouble with the traffic on Foley St during the entire time the markets are running. Because of the one entrance to the car park there is frustration as cars are waiting to turn in from both directions which delays through traffic. We have so much traffic all week and now Sunday morning is as bad if not worse. Cars bank up along Foley St waiting for lights to change which also causes noise and fumes
