MILLERS POINT NSW 2000

Attention: Lucas Earl

Dear Sir,

RE: 9-13 COOK STREET, FORESTVILLE – SUBDIVISION STORMWATER ASSESSMENT

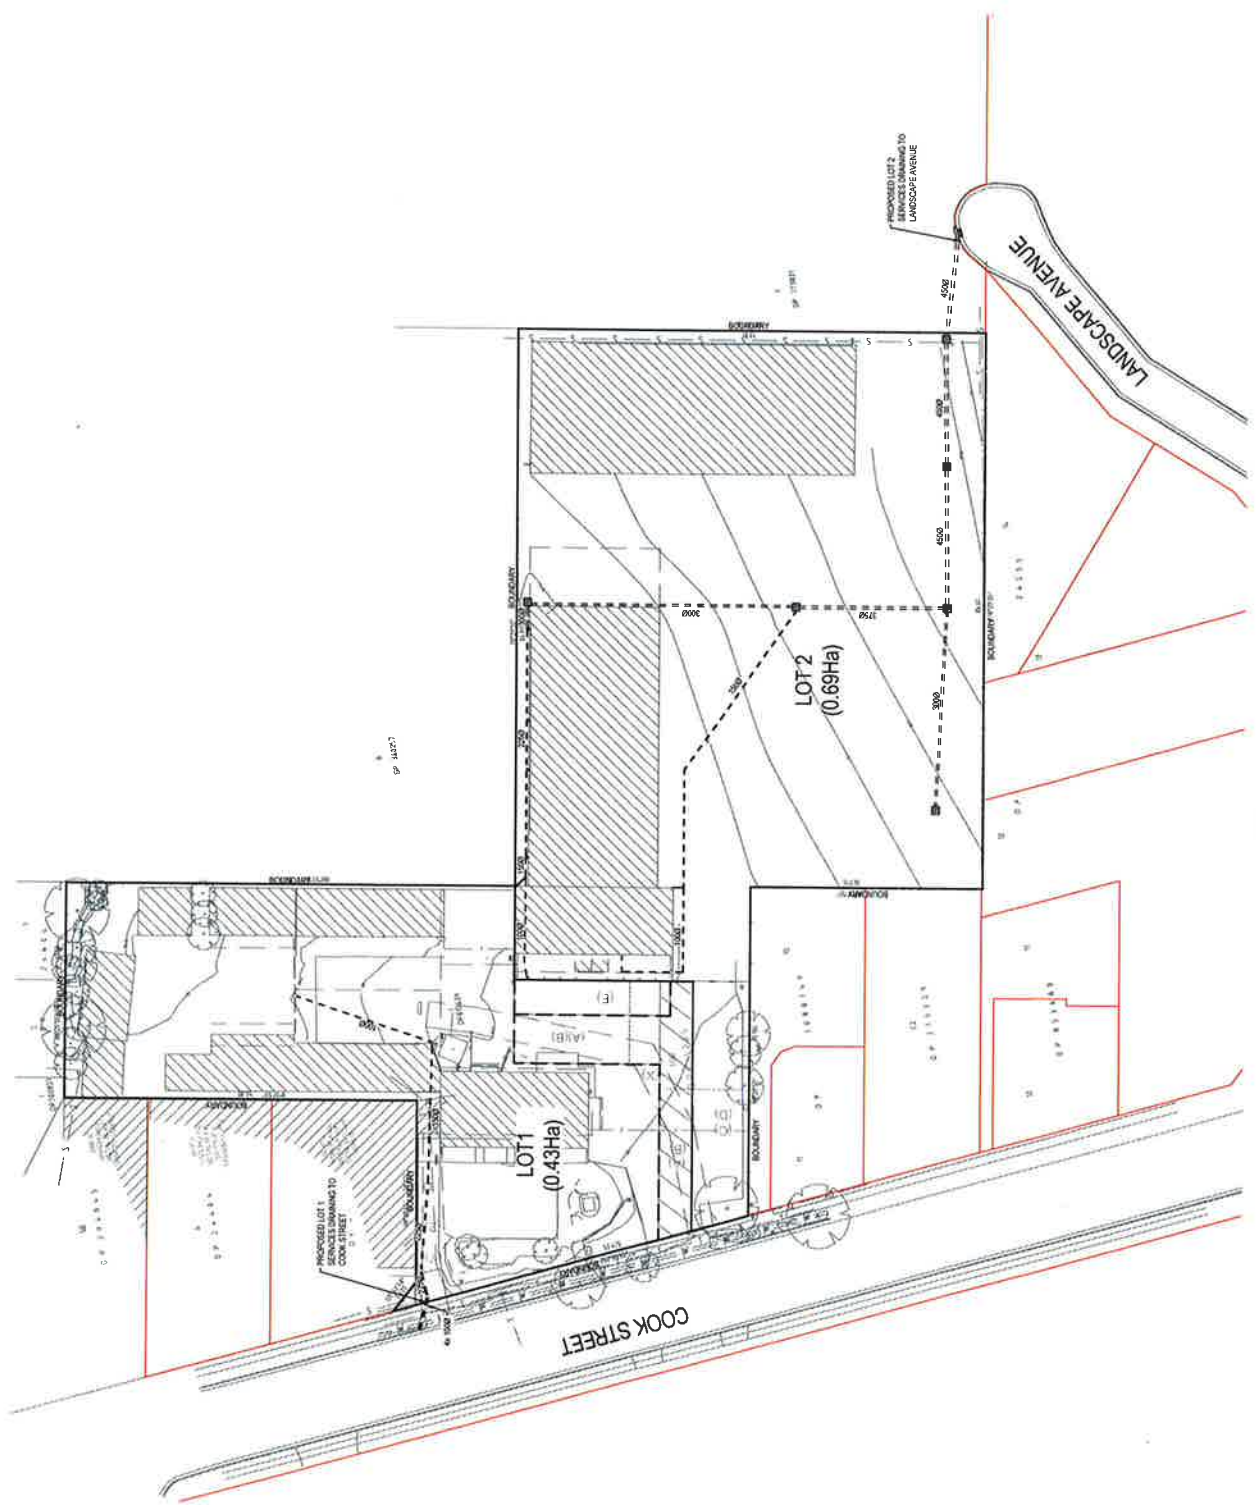

Van der Meer Consulting P/L have undertaken an assessment of the existing drainage system on Lot 100 DP615225. The property is the subject of a development application for a proposed subdivision.

We have prepared a plan SY182126-DA0014-Rev.A showing the location of the existing drainage system servicing the buildings and hardstand areas. We confirm that the drainage systems of both lots are fully contained within their respective lot areas.

Should you have any queries please do not hesitate to contact us.

Yours faithfully,
Van der Meer Consulting

Rod Burrough
Manager, Civil Engineering
