RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

Dear Assessing Officer

Although the old library is currently a disgrace to the area, 51 dwellings is absolutely ludicrous for this area. 51 dwellings on a shop top development is totally out of character to the area and will increase parking on the street both Lockwood Ave and Peacock Parade not to mention people parking in Glenrose Shopping Centre. This is a family area with lots of children and families who bike ride and walk and it would increase the danger with more cars and traffic. Not to mention an eyesore as there is no such dwelling in our area. Putting greed before locals is unacceptable and this should by no means go ahead.
