RE: DA2021/2656 - 12 Lagoon Street NARRABEEN NSW 2101

With respect to DA2021/2656 submitted by Woolworths, I make reference to the Statement of Environmental Effects submitted with the application. Specific reference is made to paragraph 4.6 of the report which states; "No alterations to the existing landscaping are proposed by this application."

Despite this submission to Council, as of 15 February 2022 every tree at the rear of the Woolworths Narrabeen store has been destroyed, such includes the destruction of a gum tree, estimated to be at least 20 years old. As of today, 17 February 2022, any remaining small bushes are also being destroyed.

Woolworths has made no efforts to ameliorate the increase in light and noise pollution that has resulted from the tree destruction.
