**RE: DA2020/0332 - 4 Dareen Street BEACON HILL NSW 2100**

Dear officer,

I had submitted an application of objection to the development on 4 Dareen ST beacon hill in April month, unfortunately no any responses yet from council. our concern is we will lose the current front view from out living area and belcony, please have someone inspect on site to proof, I would like to attach photos to represent how devastating will be the view loss. please attend the submission asap.

regards  
QI
