RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

I oppose the development because of the lack of provision for parking. The current covid lockdown has shown there is already insufficient street parking to accommodate local residents. This included the period the hotel was unable to trade & prior to the busy summer beach season. If this was always the plan of the owners then they show little consideration towards their neighbors. The previous volume of hotel patrons were mostly locals & respected the wishes of nearby residents.
