BROOKVALE NSW 2100

RE: Mod2016/0095 - 1 / 98 Old Pittwater Road BROOKVALE NSW 2100

We are located next door to Unit 1 (CODE 5) and have found the staff very obliging & friendly and their clientele are the same. Since the wheel clamp parking has been installed, we have no parking issues from anyone in the complex. Most of parking problems we had, I feel were from employees from other complexes using 98 Pittwater Rds visitor parking positions.

It is great to see young people putting in a huge effort to help the community and endeavour to run a successful business. So we have no objections to the new DA Mod2016/0095 to increase their business hours.

Kind Regards, Jan Cooch (owner of Sydney Lifting Equipment)
