**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

Having lived in Newport for over 20 years my concerns to the development relate mostly to the size and facades proposed.

Robertson road has a lovely village feel that will be lost forever. We have seen so many unappealing developments in newport over the past two decades I really felt compelled to voice my concerns.

Kind regards  
Robbie
