RE: DA2019/1478 - 1 Narrabeen Park Parade NORTH NARRABEEN NSW 2101

It needs to be acknowledged that regrettably the existing outdoor eating areas are on public land. My main concern is preserving the natural ecological beauty of this unique area. Preserving the Norfolk Pines which are part of the Northern Beaches history and provide habitat to birdlife as well as much needed shade and beauty is a must. So with the proposal to add a Pergola and Path, sleepers and landscaping, it must be assured that the root system for the Norfolk Pines is not disturbed.
