Re: PAN-185484 (70 The Corso)

Dear Mr Croft,

On behalf of the Manly Business Chamber we wish to support the split of the 195m2 ground floor property at 70 The Corso. This would then allow premises to open on to The Corso and Rialto Lane.

It is our belief by activating both street frontages, this further encourages visitation, benefits the safety of these sites and surrounds, and supports the long term vision for Manly's economy.

Please feel free to contact the Chamber directly if you require any clarification.

Yours sincerely,

Charlotte Rimmer
President – 2022
