Dear Sirs

HUGO'S MANLY DEVELOPMENT APPLICATION

I strongly support this application from Hugo's Manly. The outdoor seating area at Hugo's is popular and an inviting area for patrons to enjoy, quite unique and a drawcard to what Manly has to offer. It is a welcoming venue for visitors and as a Manly resident it is convenient to showcase Manly to friends and all at its very best, Hugo's is well run, a friendly venue and the vision to extend the outdoor seating in keeping with the site and the restaurant itself. The development will enhance the proposed changes to the East Promenade and the vision the Council has for Manly.

As a local resident I strongly support this application

Sincerely, Pam Kelso
