RE: Mod2017/0063 - 80 Evans Street FRESHWATER NSW 2096

I strongly oppose any extension of working hours for this work site. They already work past their permitted hours with no regard for the residents. I am sick of the crane driver looking into our apartment at all hours of the day and night because they work well past 5pm on weekdays and all day Saturday even though they should be finished by 1pm. There was one Saturday when they were working until 8pm!!! We are constantly calling the council rangers out and are completely sick of having to do so. They have no respect for any of the rules and apparently the fines are not deterring them either because they keep doing it! I'm very unhappy with Ganellan and with council's lack of action. How many times do they need to be fined before more serious action can be taken? They should be issued with a stop work order for failing to comply. DEFINITELY DON'T GIVE THEM EXTENDED WORKING HOURS!!!!
