RE: Mod2019/0547 - 22 Jubilee Avenue WARRIEWOOD NSW 2102

Council has received an application from the owners of the Mona Vale Organic Markets at Pittwater RSL - Jubilee Ave, Mona Vale. The markets take place every Sunday morning.

They are requesting to extend the trading hours by having an opening time of 7.30am instead of the current 8.30 am.

We have experienced cars parking in bus stops around this area every Sunday morning. Drivers have reported that they need to pick up and set down on the roadway as the bus stops cannot be accessed.

Council is sending rangers to patrol this illegal parking every Sunday morning and many infringement notices are being issued, however, this does not seem to be solving the issue.

As such, STA has to raise an objection to the proposal on the basis that illegal parking is having a negative impact on our bus services, both in terms of safe access to our buses and an inconvenience to our passengers. Extending the hours of operation will extend the level of adverse impact this will have on our bus services.
