Subject: TRIMMED: Reference - 11 Boola Place, Cromer, DA2023/1237

To whom it may concern,

Please accept this email as support for approval of the DA for an indoor cricket facility at Cromer. At the moment, our children (and adults) only have access to outdoor nets for cricket which get overcrowded (and therefor dangerous) and unusable in the heat and rain as there is no shade or cover.

An indoor facility would be a very welcome addition to our community and would help promote a healthy lifestyle for our citizens.

Best regards,

Emma
