**RE: DA2024/1362 - 40 Myoora Road TERREY HILLS NSW 2084**

I would like to register our support for this development. It is by an established operator of quality venues and our area desperately needs more quality hospitality sites to avoid having to drive to monavale or further.

The subject site (and all those adjacent have been an eyesore for many years.

This development will also provide much needed jobs for yong people in the area..
