RE: Landscape plan that form part of Development Application for a new dwelling at
24 Sir Thomas Mitchell Drive, Davidson

I hereby certify that the landscape plan submitted as part of the enclosed Development Application has been designed to reflect the requirements as stipulated in the Warringah LEP 2014. It is largely documented as showing the retention of a thriving, mostly native and low water using garden.

Yours Faithfully,

Dick Clarke Director
Master of Sustainable Futures,
Dip. Bldg Dsgn, Accredited Building Designer No. 6029,
Fellow of Building Designers Australia
ENVIROTECTURE PROJECTS PTY LTD
