**RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094**

To the Assessing Officer,

I am writing to show my full support of the proposed DA for the Manly Boatshed.

As a long time resident of the Manly and Clontarf area I regularly enjoy the coastal walk past the Manly Boatshed. The proposed enhancement of the Manly Boatshed (to include the proposed kiosk) would be a positive for the area and the surrounding community. The inclusion of a lovely community focused kiosk would be a fabulous addition to that area and a place we would love to frequent on the harbourside.

Also, as a family with young children it is wonderfully appealing to have potential places that continue to enrich our children's lives with outdoor experiences such as sailing and water sports on the wonderful Sydney harbour.

I find the proposal to be beautifully designed, well thought out, and in keeping with the natural beauty of the area. I feel it only improves on what is currently there.

I know the current owners and their family have cared for and looked after the boatshed and surrounding marina for many generations and I know and trust they will continue to put the community, the environment and the waterways at the forefront of their project.

I look forward to my family and I being able to enjoy this wonderful facility.

Kind Regards,

Prue Duffy
