MR Michael Mitton  
115 Prince Alfred parade ST  
Newport NSW 2106

**RE: DA2022/0246 - 120 Prince Alfred Parade NEWPORT NSW 2106**

Dear ?

Regards the oversized fig trees on the southern boundary of Florence park which is virtually opposite my house,

I would like to implore the council to reduce the size and foliage that over hang the road,

Florence park is a family park with a playground during the last storm several branches have fallen and it's been good luck nobody walking by or using the footpath has been hurt,

The largest of the trees is obstructing myself as a pedestrian walking up the foot path and wen driving along past the park the giant foliage is obstructing

My view of vehicles coming up or down from the Newport direction. On this matter a speed hump either end of Florence park is needed to slow traffic using this road as a back way to clareville and bilgola plateau.

Please remove these trees they are a safety hazard, to pedestrians, drivers and falling branches a danger peoples using Florence park
