RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I do not think it is an appropriate position of a phone tower. This is public land, it's used by the community for recreational purposes. The tower (owned by a private entity) belongs on private land in a commercial/industrial zone. Apart from being an eyesore and intrusion, I'm worried that allowing this development will create a precedent for more of this type of developments.
