RE: DA2023/0020 - 50 Eurobin Avenue MANLY NSW 2095

I object to Stella Maris doing any further building or development, especially demolishing more houses and rezoning our residential area into a bigger school zone. it does not abide by relevant guidelines, regulations or standards. The past decade has been dominated by huge building projects in our street and I cannot remember a time at home without the severe effects of this going on. It has created severe stress on my pets with the ongoing, sudden or unpredictable loud noise as well as trucks, they are nervous and overwhelmed.
