HERITAGE COMMENTS		
Discussion of reason for referral		
The proposal has been referred to Heritage as the subject site adjoins a heritage conservation area		
<b>C7 -Forestville Park Conservation Area</b> - Currie Road, Forestville		
Details of heritage items affected		
<p><u>Statement of Significance</u></p> <p>Forestville Park is historically important as the first public recreation reserve in Warringah. It is a significant natural area consisting of sandstone heath and woodland and forming a major catchment area for Bantry Bay.</p> <p><u>Physical Description</u></p> <p>Covers an area of 33.8 ha &amp; consists mostly of natural sandstone woodland &amp; heath vegetation &amp; has evidence of past Aboriginal occupation. Forms a major part of the upper catchment of the main creek flowing to Bantry Bay &amp; adjoins Garigal NP on its southern boundary. Two playing fields have been formed by filling the north western quarter of the Park. This has resulted in considerable disturbance to the natural landform, vegetation &amp; weed infestation.</p>

Consideration of Application		
The proposal seeks consent for a new carport, store room and front fence. The works are located at the front of the site facing the road. The conservation area adjoins the property to the rear. No works are proposed at the rear of the subject site. As such, the proposed works are considered to not impact upon the conservation area or its significance.		

Therefore Heritage raises no objections and requires no conditions.

Consider against the provisions of CL5.10 of WLEP.

Is a Conservation Management Plan (CMP) Required? No

Has a CMP been provided? No

Is a Heritage Impact Statement required? No

Has a Heritage Impact Statement been provided? No

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
