RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

I wish to lodge an objection to DA NO335/11 relating to planning permission for a dwelling of 521 Barrenjoey Road. I am very concerned that the likely disruption to traffic on the Bilgola Bends which implies restricted access to Avalon, Whale Beach, Clareville and Palm Beach over an extended period of time. I am also conscious that Angophora trees are an endangered species, providing sanctuary to much local wildlife, and that some 28 trees would be cut down, some on public land, should the DA be approved. I also note that the maximum height for buildings in Bilgola is 8.5 metres with a 2 storey limit. These are all well exceeded in the DA application. Yours sincerely Chantal Hobson
