RE: DA2025/0024 - 158 Pacific Parade DEE WHY NSW 2099

I am complete support of this development application.

Additional housing stock us required in the area.

My wife and I work in the area but cannot afford to live here any more.

I do not expect traffic issues, as many people in this type of housing use public transport or walk.

The building envelope and zoning for this site has been knoen for many years.

Destruction of other people's views should not be a consideration
