RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107

As the owner of the property at Palm Beach and Whale Beach, I have frequented the subject property at 231 Whale Beach Rd many times over at least 20 years and are therefore very familiar with the existing structure on the property.

I support the revised Development Application as it will provide a significant improvement both in terms of amenity and aesthetics.

Hopefully the DA will be approved allowing this long eyesore to be redeveloped.
