MRS Emma Conan

RE: PEX2022/0002 - 15 Mona Street MONA VALE NSW 2103

This is a really important historical site in Mona Vale. I spend hours with my young kids here playing pooh sticks in the creek and making up stories about the animals who used to eat the food they grew here for Taronga Zoo.

I would be really sad if this last piece of green on Bassett Street was torn down, ripped up and replaced by some ugly housing just to make money for a developer. The trees that grow here are so beautiful and I'm sure there are some protected natives in there. We need to protect our green spaces and the wildlife they house.

Please council, consider the neighbourhood over dollars for once.
