Dear Sir or Madam,

I strongly support the application for the markets to start trading much earlier and I would also be extremely happy to let them trade longer.

As I live on the other side of the city I have to do my shopping as early as possible to avoid the traffic!

In the past I'd enjoy the end of the day specials while I left my shopping for later and was able to do other things before going to Frenchs forest. But as they finish this early in Mona Vale I can no longer do that. Not mentioning that I end up with fresh produce sitting in my car for the rest of the day which is not ideal.

You're really lucky to have such a great market move close to you and it would be a shame to see even more stall holders go.

Thank you for your consideration  
Lisa
