RE: DA2022/0456 - 62 Myoora Road TERREY HILLS NSW 2084

I am objecting to the driveway access being on Myoora Rd. This is a terrible idea. There are three primary schools in the immediate vicinity -Terrey Hills Public Primary school, the German International School and Kinma Primary school. All of these families will be affected by increased traffic on Myoora Road. Please do not put the driveway there; it will negatively affect the community.
