RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I support the amendments made so far to the development, but am disappointed that an entrance to the structure is still proposed to be in Robertson Road.

This will significantly undermine the plan to make the road a plaza, and will result in a mish mash of half busy carpark entrance and half token plaza. Not what the community wants at all.

I really hope we can keep the idea of Robertson Road as a pedestrian precinct, and not allow a driveway for an underground parking lot to ruin one end, creating noise, ugliness, and pollution.
