RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084

this development that has been submitted by Flower Power Terrey Hills is far to close to the Terrey Hills School to be approved , exactly opposite & will be a danger for the students, parents & all pedestrians is far to great , many local children walk to school or ride their bikes & parents with young have toddlers , prams or strollers walking their older children to Terrey Hills Public School , there will be an increase in traffic on an already chaotic & dangerous road this is referring to both Cooyong & Myoora Rds , with the hospital, swim school , Sand Stone Cafe plus Hills florist with a DA for a restaurant & 200 car parking , all of these with in close proximity if the T/Hills school , the Flower Power D A is a far far to bigger development with dangerous traffic for our local children being so close & opposite to the T/Hills Public School to be approved by council for this particular area. not even going down the path of the threat of bushfires
