RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

I would like to oppose the above DA

It has no soul or character in keeping with the feel of Barrenjoey House, the ferry wharf and Pittwater Park.

It has also been noted the site has multiple issues of non-compliance to the LEP and DCP, including height, bulk, scale and a shortfall of 7 car parking spaces

Could the design complement the energy of the space rather than subtract please?

Kind Regards, Emily Ashton
